

CARBON FORESTRY

OUR CLIMATE, OUR CHANCE TO CHANGE

This certificate records that

ADR International

is committed to balancing the carbon they produce.

PROUD TO BE
CARBON NEUTRAL

www.carbonforestry.co.uk

Thanks to your commitment to balancing the carbon you produce
a new forest will be planted at:

Oak Close

TG 0020 NE Forest Grid Reference

To mark this achievement and to recognise the steps you've taken, you can now display our kite mark. This shows others your commitment to restoring Britain's woodland, making your life carbon neutral and helping the environment.

Thank you for your support, together we can achieve more.
